A little on Spectrum Health Hospice:
When time is of the essence and each moment is precious; quality of life, freedom from pain, and the ability to make choices regarding how each day is spent is invaluable! The Spectrum Health Hospice team can help patients and their families through difficult times by managing symptoms, providing comfort and offering both emotional and spiritual support. We provide care wherever someone calls home, have 24/7 local, on call services with quick response time and offer a comprehensive complimentary alternative medicine program. Spectrum Health Hospice is also a non-profit organization and the first hospital-based hospice program in West Michigan.
